

Chadwell Heath Baptist Church

Sunday 18th July 2010

Welcome to our service this morning and we give an especially warm welcome to any visitors. This morning we will be focusing on the work of Latin Link, a mission organisation that works in South America. We are glad to have with us Marie and Douglas Cowan who will be sharing with us during the service. After the service please join us in the back hall for refreshments and the opportunity to have a chat with Marie and Douglas.

Please pray for **Sue Warren** who is still unwell and has been in hospital this week but has now been discharged.

Gwen Lowe is staying with her son in Cambridge but is still in considerable pain from the fall she suffered in Clacton over a week again. She has extensive bruising to her back, arms and head as a result of the fall as well as being slightly confused. Please pray for a quick and complete recovery.

Daniel and Noelia Sonderegger send greetings from Argentina and the good news is that Daniel will be with us on Sunday 1st and 15th August when he would love the opportunity to catch up with his many friends at CHBC. We also hope to hear more about the work they have both been doing amongst the children and prisoners in Buenos Aires.

Many thanks to **Brian Smith** for taking some of the young people away to Rock Solid at Stubbers, Upminster last weekend. A good time was had by all - not much sleep though!

Please remember **Beth and Adam** in your prayers as they were married in Watford yesterday afternoon. Some of our number are missing this morning as they stayed overnight following the reception.

Thought for the Week.

· **All things work together for the good of those that love the Lord and are called according to his purpose. Romans 8:28**

During those times when it seemed like the world was falling down around me.
"All things work together..."

When I was hurting (either physically or emotionally) so bad, that it seemed like a victory just to put one foot in front of the other. "All things work together..."

When the month lasted longer than the money "All things work together..."

In the moments of my life when things were the darkest, my emotions were swirling and my head was spinning, it was and is only by faith that I could say through my tears

All things work together for the good of those that love the Lord and are called according to his purpose. Romans 8:28

And as time passed, I can look back at those same experiences and see the hand of God protecting, guiding and turning that which Satan meant for evil for His glory and my good.

Today I thankful for:

· The transforming power of His Love
· That one day all pain and suffering will be no more
· family

Noah's Ark is looking for some help on a Wednesday morning. If you like young children and can chat to their mum's then Noah's Ark will welcome you with open arms. Although this Wednesday is the last of the current term it would be good to go along just to get a taster of what goes on and then perhaps help on a more regular basis in September. Have a word with Cathy Pargeter.

Most of you would have had a **Gift Aid** form on your seats two weeks ago with a request to complete and return it if you were prepared for your regular giving to be "Gift Aided" which will allow the church to recover an additional 28% on your gift. If you have previously completed a form in the past it would be helpful if a new form could be completed as in many cases contact details change and we have to have a record of the current details on file.

If you would like to participate and the form has gone astray then a new form can be picked up from by the mixing desk, completed and given to either Ade Fakile or one of the leaders.

**Next Saturday** we invite you to meet us at Chadwell Heath Station at 1.00 p.m. to travel to London for a conducted tour around Westminster with a special children's quiz and a prize for the winner. We will have a guide to tell all about the many places of interest around this historic part of the capital.

Please come and join us.

### PRAYER FOCUS

For our first **Prayer Focus** let us pray for those who arrange, lead, and take any part in our Sunday morning services. May our time of worship be a 'hallowed hour', blessed by God's Spirit. His Word tells us "whoever offers praise glorifies Me " Psalm 50: 23

#### Blessing Fund

We have some friends in our church fellowship who sometime find themselves in some kind of financial difficulty. This fund has been set up to help such people. If you feel that you would like to help people in financial difficulty you may give anonymously into the Blessing Fund so that when people do find themselves in difficulty they can be helped.

*If you change any of your contact details please let John White know so that the information can be changed on the Church database. We regularly produce a church directory with the latest contact details in so it is helpful if any changes in these details can be notified to John.*

#### **JUNIOR CHURCH**

During the school summer holidays our Sunday morning Junior Church takes on a different format and we usually show an appropriate DVD or video for the children to watch in the small hall. To give the regular JC leaders a break during the holiday we would like to appeal to any of you who are a regular part of our Sunday morning to help out with looking after the children. You may only have a couple of children to care for but if you can help out please see Janet or Peter Malcolm

### IMPORTANT

If you know of anybody in the church fellowship who is unwell or in need please let one of the leaders know.

#### Who am I?

My name is Vida Duku and I was born in Ghana in 1969 and now have three children. I live in Dagenham but would love to visit Japan and Spain. My favourite food is fufu (sometimes known as couscous) and soup and enjoy cooking, music and sports. The one person I would love to meet is Lewis Hamilton.

If you have any news or items of interest for next weeks news sheet please let John White have it by Thursday evening at the latest.
