Every spring we see many birds' nest in the trees. It is such a great joy to watch the mother sitting on the eggs, watching over the nest and then feeding the little baby birds. They serve as a constant reminder of the Father's love for me. They show the glory of the Father's creativity as we see the different varieties of birds flying, singing eating, never worried of anything but enjoying every moment of the day.

On those days, when I am not feeling particularly valuable. The Father speaks in soft and loving tone "You are valuable to me" through those birds.

Therefore I tell you, do not worry about your life, what you will eat or drink; or about your body, what you will wear. Is not life more important than food, and the body more important than clothes? Look at the birds of the air; they do not sow or reap or store away in barns, and yet your heavenly Father feeds them. Are you not much more valuable than they? Who of you by worrying can add a single hour to his life?

Today I am grateful for:

- Summer holidays
- Bright sunshine day
- Small successes
- The Provision of Abba Father
- Creating all variety of birds

Congratulations to Adam and Beth on their wedding last week. Their new address is available via the webmaster

Stubbers:

On the 9th of July we took a group of 8 young people on a residential trip to the Stubbers Activity Centre in Upminster. The weekend long event is called 'Solid Youth Festival' and is a place where physical output meets Spiritual input, as there are various activities during the day including climbing walls, canoeing, rifle shooting, zip wire, and the aptly named 'Leap of Faith' to name a few of the activities available. Then in the evenings there are lively worship sessions to help young people to encounter God in a more indepth way or for the first time, giving their lives to God. It was during these times of worship that 4 of the young people we took, took a Leap of Faith and went forward for prayer, taking another step on their journey of faith. Seeing God working in the lives of so many young people was the real highlight for me.

~~We have some friends in our church fellowship who sometime find themselves in some kind of financial difficulty. This fund has been set up to help such people. If you feel that you would like to help people in financial difficulty you may give anonymously into the Blessing Fund so that when people do find themselves in difficulty they can be helped.~~
